

**The purpose of this project is to improve the safety and operation of the Garden State Parkway between Mileposts 140 and 143 and to repair and rehabilitate the Galloping Hill Road Bridge over the Garden State Parkway. The project is being funded with toll revenue. The New Jersey Turnpike Authority is committed to addressing the concerns of the affected communities and motorists by minimizing disruptions from the construction activities and by providing timely and easily accessed information about the project as construction progresses.**

## HOW TO STAY INFORMED

Below are ways to contact a project team representative with questions or view the construction updates and detour information online.

### VISIT [WWW.GSP140TO143.COM](http://WWW.GSP140TO143.COM)

Visit the project website at [www.GSP140to143.com](http://www.GSP140to143.com) for detailed information and frequently asked questions about the Bridge Deck and Median Barrier Reconstruction.

### VISIT [WWW.GSP140TO143.COM](http://WWW.GSP140TO143.COM)

Email [info@GSP140to143.com](mailto:info@GSP140to143.com) or fill out the contact form on [www.GSP140to143.com](http://www.GSP140to143.com) to submit questions and comments.

### RECEIVE WEEKLY EMAIL UPDATES

Prefer to receive project information directly to your inbox? Go to [www.GSP140to143.com](http://www.GSP140to143.com) and sign up to receive weekly project updates via email.

### RECEIVE TEXT MESSAGE UPDATES

Project updates for all of the work zones can be delivered straight to your cell phone by signing up on our website at [www.GSP140to143.com/text](http://www.GSP140to143.com/text).

## BRIDGE DECK AND MEDIAN BARRIER RECONSTRUCTION

Milepost 140 to 143

Borough of Kenilworth and  
Township of Union

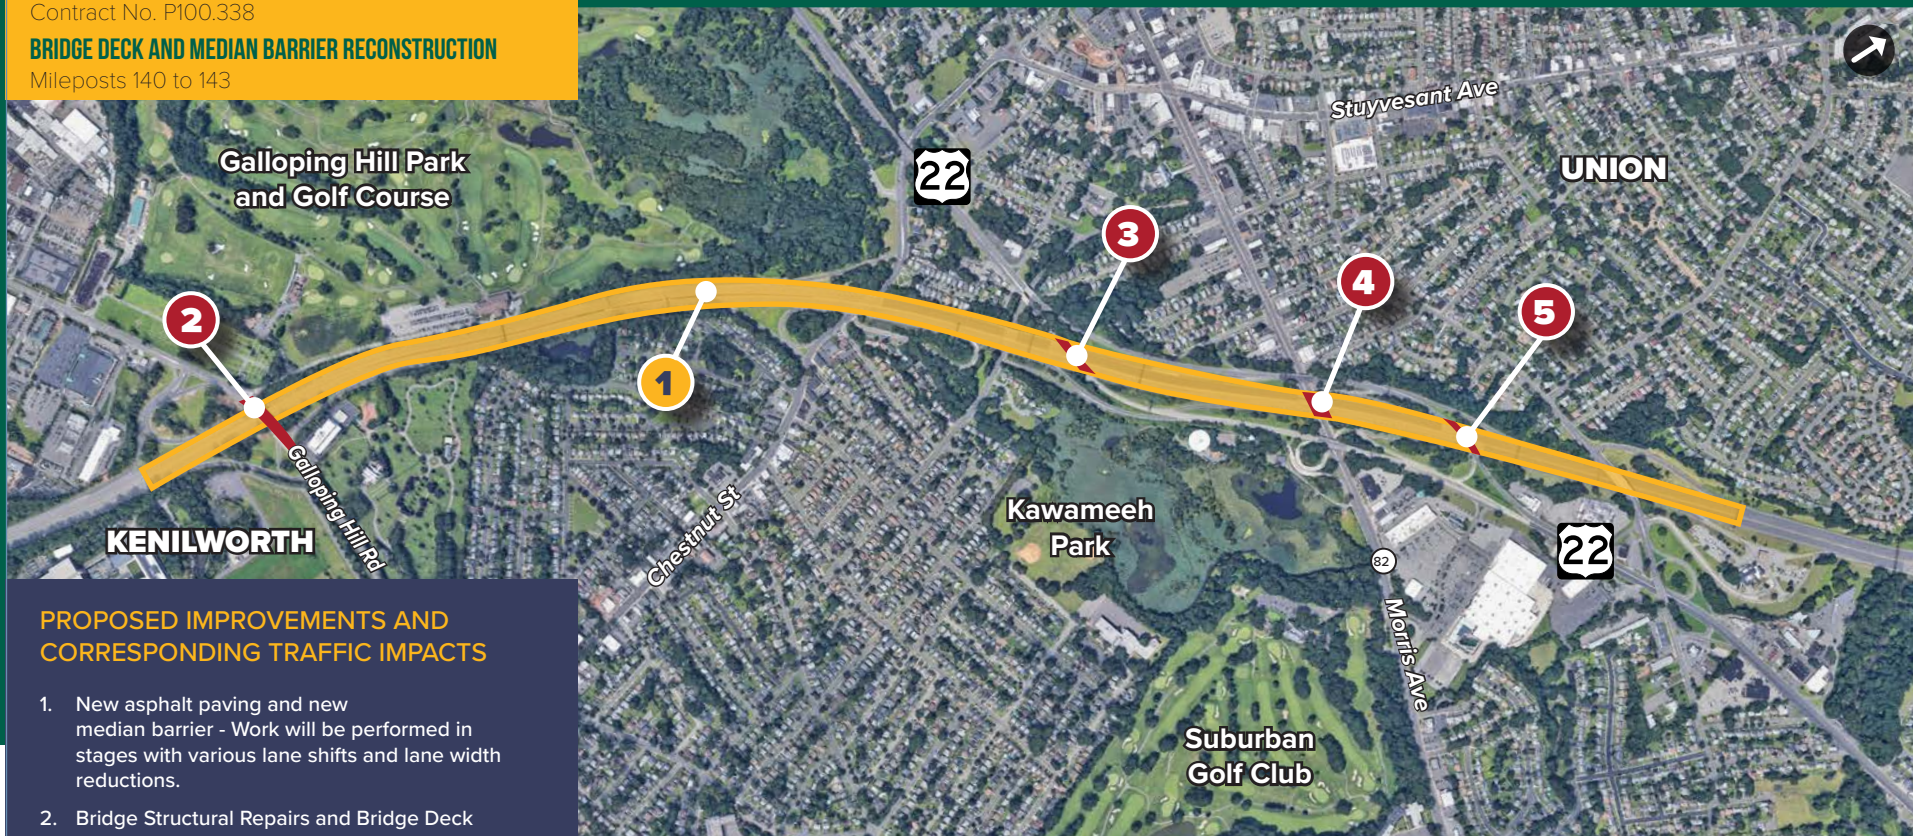

The New Jersey Turnpike Authority is undertaking a significant construction project to improve the Garden State Parkway from Milepost 140 to 143. These improvements include: repairs and upgrade to bridge structures, new lighting, new median barriers and new asphalt paving. Additionally, the Galloping Hill Road Bridge will be upgraded with a new deck, new pedestrian sidewalk and new median barrier.

Visit [WWW.GSP140TO143.COM](http://WWW.GSP140TO143.COM) to learn more

## BRIDGE DECK AND MEDIAN BARRIER RECONSTRUCTION

Mileposts 140 to 143

### PROPOSED IMPROVEMENTS AND CORRESPONDING TRAFFIC IMPACTS

1. New asphalt paving and new median barrier - Work will be performed in stages with various lane shifts and lane width reductions.
2. Bridge Structural Repairs and Bridge Deck Rehabilitation - Bridge No. 140.2, GSP under Galloping Hill Road. Work will be performed in stages with various lane shifts. The pedestrian walkway will remain open at all times.
3. Bridge Structural Repairs and Bridge Deck Rehabilitation - Bridge No. 141.3, GSP over Route 22 EB. There will be periodic nighttime lane closures on Route 22 EB.
4. Bridge Structural Repairs and Bridge Deck Rehabilitation - Bridge No. 141.7, GSP over Morris Avenue (Route 82). There will be periodic nighttime lane closures on Route 82.
5. Bridge Structural Repairs and Bridge Deck Rehabilitation - Bridge No. 141.9, GSP over Route 22 WB. There will be periodic nighttime lane closures on Route 22 WB.
